• Wireless number
• Device make/model
• Credit/debit card information for deductible/service fee (if applicable)

Additional information

For all plans

Duplication of coverage
The Equipment Replacement Program and Advanced Device Insurance may provide a duplication of coverage already provided by a consumer’s insurance (auto, renter, homeowner, personal liability) or other source of coverage.

Associate qualifications
Unless otherwise licensed, Sprint sales reps are not qualified or authorized to evaluate the adequacy of your existing insurance coverages.

Optional
Insurance is optional coverage that you are not required to purchase in order to purchase services or equipment. Program enrollment or claim authorization shall be at the sole discretion of CNA or Asurion in accordance with the terms and conditions and applicable law.

Email
If you provide your email or other electronic address to Sprint, Asurion or its partners involved in administering this program, Asurion may communicate program information and legal notices with you through electronic means to the last address Asurion has on file.

Device coverage
For coverage to apply to a particular device, you must own or lease the device and have used (logged voice or data use) that device on your enrolled wireless line after initial enrollment. Coverage applies to only one device at any given time and the covered device will be your most recently used device on your wireless line at the time of the loss. See terms and conditions for the full definition.

Covered equipment
Includes wireless device and if part of the covered loss, one standard battery, one standard charger, and one Subscriber Identification Module (SIM) card. Devices NOT eligible for coverage: Boost or Virgin devices, 4G only devices, GSM only devices, MVNO models, Special/Limited Edition devices. Netbooks, notebooks, desktop modems, intrinsically safe device: r765IS by Motorola, Samsung Gear S II.

Non-return fee
If your device is damaged or if your lost device is later found, you can avoid non-return fees of up to $900 by simply returning the device as directed by us in the return envelope that we provide to you.
**Binding arbitration**

The service contracts and Coverage Certificates each contain a binding Arbitration Agreement. The Arbitration Agreements affect your rights and you should read your terms and conditions carefully and completely. The Arbitration Agreements require you to: 1) RESOLVE ANY DISPUTES THROUGH BINDING AND INDIVIDUAL ARBITRATIONS OR SMALL CLAIMS COURT ACTIONS INSTEAD OF THROUGH THE COURTS OF GENERAL JURISDICTION; AND 2) WAIVE YOUR RIGHTS TO A JURY TRIAL AND TO PARTICIPATE IN CLASS ACTIONS OR CLASS ARBITRATIONS. (EXPRESS STATE EXEMPTIONS MAY APPLY, PLEASE SEE YOUR PROGRAM TERMS AND CONDITIONS.) The Arbitration Agreements do not prevent you from informing federal, state or local agencies of any dispute. If you do not agree to submit disputes to binding and individual arbitration or you do not agree to any other provision of the Arbitration Agreements, you should not enroll in device protection products.

**Fraud**
